2. Ownership / Possession: meat pens must be owned and in the possession of the exhibitor four (4) weeks prior to show date. Breeding must be owned and in the possession of the exhibitor six (6) weeks prior to show date.
3. Meat pens will consist of 3 rabbits—all the same breed and variety. AGE LIMIT not over 10 weeks of age. Minimum weight per rabbit is 3 pounds 8 ounces and the maximum weight is 5 pounds 8 ounces. If you have one or more rabbits less than 3 pounds 8 ounces or one or more over 5 pounds and 8 ounces it will result in being disqualified and your pen will need to be returned to your carrier. It will not go to the show table.
4. Top 8 pens or 33%, whichever is greater, of meat pens that qualify for the show are eligible for the Ribbon Auction, excluding the Grand and Reserve Champion Pens. Heavy and lightweight rabbits will be allowed to bump up when $\frac{1}{3}$ or 33% of the class is not being sold due to an exhibitor pulling a heavy or lightweight rabbit out of the sale.
5. Rabbits are to be a recognized breed from the current Standard of Perfection published by ARBA.
6. Meat pen rabbits must be tattooed by a committee member or volunteer secured by the superintendent at the specified date and time of validation with a CCJLS specific tattoo.

8. Mating of rabbits is prohibited on the show grounds. Anyone in violation of this rule will be removed from the show and forfeit all awards.
9. Breeding entries can be changed the morning of the show as long as they are the **same class, same sex, and same breed** but must be designated before the start of the breeding show. Late entries are accepted as well but must be turned in and paid for before the breeding show begins. Any changes that need to be made must be made before the breeding show begins also. Breeding rabbit exhibitors are required to check in and verify their rabbit information. Changes to the class, breed or sex will result in a \$5 fee. Instructions to check in and make changes will be given over the loudspeaker. If an error is found while the committee members are lining up classes on the show table, you will not be allowed to show. Take care of any changes before the show begins.
10. All Best of Breed Rabbits will compete for Best in Show and Reserve in Show.
